REMARKS

[] made a specific point at the outset this morning: that [] will be visiting Washington in October, following the 5 October [] elections, for two purposes. The first is to meet [] and the second is to observe U.S. election practices (lots of luck on that one). I'm uncertain whether we knew that [] would be coming at that time.

DO NOT use this form as a RECORD of approvals, concurrences, disposals, clearances, and similar actions.

Yes, I believe we had heard he was planning a visit in October. [redacted] is interested in propaganda analysis and said that [redacted] wanted to see how we made "propaganda" for an election. [redacted] said he was in the process of analyzing Carter's recent statements in ~~XXXXX~~ Madrid in relation to Ford's statements there a few years back. It seem that [redacted] interest in the Trends is leading towards a some form of AG type of effort [redacted]
